Special Instructions and Contact Information:

ORYCON employs professional childcare providers to ensure the best possible care for your children. Our nannies are trained to provide excellent care for children of all ages. However, it is not possible for our nannies to take responsibility for feeding your child. We will provide some snacks, but any special requirements your child may have such as medications or special dietary needs such as formula are your responsibility. Please note our hours of operation, as there will be a \$10 surcharge for late pickup.

**Medical and Liability Waiver (must be signed for us to provide child care):**

I am the parent or legal guardian of the above named child. I understand that ORYCON assumes no liability for my child. I authorize the designated representative of the convention to make necessary medical decisions for my child if I cannot be reached in a timely manner in the event of a medical emergency.
